

Recreational Marine Driver/Personal Watercraft Licence or Marine Licence Indicator Application

Transport Operations (Marine Safety) Act 1994

Transport Operations (Road Use Management) Act 1995

This form may be used to apply for a—

- recreational marine driver or personal watercraft licence.

Recreational Marine Driver Licence (RMDL): To apply for a RMDL, you must be at least 16 years of age and be able to produce evidence that you have one of the following—

- successfully completed a Department of Transport and Main Roads (TMR) approved course of training/assessment
- an equivalent interstate recreational marine licence (current or expired less than five years)
- a Queensland (Qld), interstate or Australian Maritime Safety Authority (AMSA) marine licence to operate a commercial or fishing trip as its master (current or expired less than five years).

Under the *Transport Operations (Marine Safety) Regulation 2016*, a RMDL may be used to operate a Qld regulated ship (recreation and other) unless otherwise specified.

Personal Watercraft Licence (PWCL): To apply for a PWCL, you must be at least 16 years of age, hold a valid RMDL or recognised equivalent marine licence and be able to produce evidence that you have one of the following—

- successfully completed a TMR approved course of training/assessment
- an equivalent interstate personal watercraft licence (current or expired less than five years).

You may also use this form:

- to apply for a marine licence indicator if your Qld driver licence indicated that you hold a PWCL or RMDL and the driver licence has been cancelled or surrendered
- if you are applying for the issue of a marine licence indicator because you hold a PWCL or RMDL but do not hold a Qld driver licence
- if you are applying for the further issue of your marine licence indicator because the card has expired.

Note: If you hold a Qld driver licence, a marine licence indicator will be added to your driver licence. If your Qld driver licence is currently suspended you will not be eligible for a driver licence with marine licence indicator until your driver licence suspension period has ended. Once your suspension is complete you may apply for a replacement driver licence with marine licence indicator.

Evidence of Identity (EOI) Requirements

You must give evidence of your identity. You may do so by showing your Qld driver licence, industry authority, marine licence indicator (conditions apply), Adult Proof of Age (APA) card or Photo Identification (Photo ID) card. All cards must be current or expired by less than two years.

If you are unable to show one of the above you will need to present three other acceptable EOI documents. For a full list of acceptable EOI and change of name documents, please refer to the *Evidence of Identity Requirements for Individuals* (form F4362) or visit www.qld.gov.au.

Change of Name Requirements: If you have changed your name or the details of your name are different on the documents provided, you must show a change of name document from the relevant Australian Registrar of Births, Deaths and Marriages (BDM).
