

This application must be submitted to the relevant Maritime Safety Queensland regional office/Gold Coast Waterways Authority office.

As a buoy mooring applicant, you must:

- abide by the conditions as outlined on the Authority
- attach the nominated vessel to the buoy mooring for at least 60% of the year (restricted moorings only)
- have the same name/s on this application form as your vessel registration (if applicable)
- provide evidence of your identity by providing one of the following documents (that is, Queensland Driver Licence, Adult Proof of Age or Photo Identification card, Industry Authority or Marine Licence Indicator card). Refer to www.tmr.qld.gov.au for full details of evidence of identity (EOI) requirements
- provide an emergency contact who is a person who can tend to the vessel in an emergency if you are unable to.

Additionally, you must not:

- leave the mooring unattended for more than 90 continuous days without notifying the relevant Maritime Safety Queensland regional office/Gold Coast Waterways Authority office
- provide the buoy moorings to a third party (restricted moorings only)
- sell or transfer the buoy mooring authorities.

Complete Section A if you intend to use the mooring for recreational purposes.

Complete Section B if you intend to use the mooring for your maritime business.

What type of buoy mooring are you applying for?

Unrestricted if you intend to use the buoy mooring for more than one ship, you must be operating and provide proof of a current maritime business or ongoing maritime community-based activity. Please provide a brief description of the maritime business or maritime community-based activity that requires the need to use the buoy mooring for more than one ship on a regular basis below:

What is the maximum length of ships expected to use the mooring? metres

Do you hold any other buoy mooring authorities?

Provide details

No Yes

Restricted if you intend to use the buoy mooring for a single nominated ship, that is registered to or owned by you, please provide the following information:

Ship name	Registration number	Length (LOA)
<input type="text"/>	<input type="text"/>	<input type="text"/> metres
Make/design (for example, Riviera)	Primary Colour	Draft

Engine size (kilowatt brake power)	<input type="text"/>	

Your preferred buoy mooring area

Please nominate your preferred general area for your buoy mooring:

Waitlist options

If there are no buoy moorings available on your preferred general area, you may request to be put on a waitlist. If your name is put on a waitlist, please be advised that availability can still be limited. It is important to note that MSQ will not put your name on a waitlist if it is full. In this instance, you will receive a letter advising you to contact your regional office again in 12 months to check availability.

I agree to being on a waitlist for the general area. Yes No

Permitting MSQ to contact Government agencies and authorities

The details you have provided above may need to be shared with other government agencies, Marine Park Authorities and Port Authorities

I agree to MSQ sharing information on this application form, including my personal details, with relevant government agencies (such as the Department of Environment and Science, the Department of Agriculture and Fisheries and the Department of Aboriginal and Torres Strait Islander Partnerships), Marine Park Authorities and Port Authorities for the purpose of contacting me in relation to this buoy mooring application. Yes No

Permitting MSQ to contact a cultural heritage assessment for you

A cultural heritage assessment must be completed to ensure that the proposed mooring does not harm indigenous or Queensland cultural heritage. For further information refer to <https://culturalheritage.datsip.qld.gov.au/achris/public/application-for-advice/enter> for indigenous cultural heritage and <https://www.des.qld.gov.au/> for cultural heritage.

I agree to MSQ conducting a cultural heritage assessment. Yes No

Additional information required to complete this application

After submitting this application and paying the assessment fee, additional information is required before an Authority can be granted. Applications must obtain written approvals from entities where the proposed buoy mooring is affected by their policies, regulations or by-laws. For example, these include but are not limited to:

- relevant port authority operator
- relevant local government
- Department of Environment and Science (marine parks and fish habitat areas) (<https://www.des.qld.gov.au/>)
- Department of Agriculture and Fisheries (marine plants) (<https://www.daf.qld.gov.au/>)
- Great Barrier Reef Marine Park Authority (<https://www.gbrmpa.gov.au/>).

All applicants must provide EOI by providing a Queensland Driving Licence, or Adult Proof of Age or Photo Identification card, or Industry Authority of Marine Licence Indicator card. Refer www.tmr.qld.gov.au for full details of EOI requirements.

Restricted buoy mooring applicants must provide:

- proof of purchase for Queensland vessels, or
- a copy of the current Certificate of Operation issued by the National Regulator for the nominated ship, or
- a copy of current Certificate of Registration if registered outside Queensland (noting registration must be changed to Queensland registration; for more information go to www.qld.gov.au/transport/boating/registration/recreational#interstate), and
- a time-stamped side view colour photograph of recreational vessels showing the vessel name and registration number (if registered), and
- an assessment fee (for more information go to <https://www.msq.qld.gov.au/Waterways/Buoy-moorings>; this fee is also applicable to unrestricted moorings).

Applicant's declaration

I declare that I have read all the answers I have given to the questions in this application and that the answers given by me are complete, true and correct in every detail.

I understand that it is an offence under the Transport Operations (Marine Safety) Act to state anything or give a document to an authorised officer that I know contains false and misleading information and that it is grounds upon which the Buoy Mooring Authority may be cancelled.

I understand that I may be prosecuted for giving or stating any false or misleading information and that penalties apply.
