continued page 2...

**Specific purpose of use:**

Trial, test or demonstration of seaworthiness  Demonstration or display associated with sale  Building, disposing of, fitting out  Use of ship pending finalising registration

Relocating, removing or repairing  Other operational aspect of ship or equipment (please detail)

Period for which the operational application is made to commence at:  hours on  /  /

**Note:** The period of any authority issued shall not exceed one month unless the application is made by a dealer in which case it may be up to 12 months or pending finalisation of registration. The actual period of validity granted in a Restricted Use Authority is a matter for the issuing officer.

**Declaration of applicant/s**

I/We declare that-

1. The information provided is true and correct.
2. The Restricted Use Authority will only be used for the purpose stated.
3. The Restricted Use Authority will only be used in accordance with any authority issued in connection with this application.

**Minimum requirements for the issue of a Restricted Use Authority:**

- for a ship less than six metres in length: A report from a competent person
- for any other ship: A report from a competent person required for the registration of the ship
- all ships must have the required safety equipment for the type, class and area of operation for the particular ship.

**Please note:** An applicant shall in this application not:

- wilfully make or authorise the making of a statement that is misleading
- wilfully make or authorise the omission of any matter or thing without which the application is misleading in a material respect.

Under the TOMSA a maximum penalty of 200 penalty units may be imposed on a person for knowingly providing false, misleading or incomplete information.

Signed (all signatures are required if the authority is to be registered in more than one name)  Date
