

Operator Accreditation Fee Schedule and Vehicle Declaration

The table below sets out the Operator Accreditation (OA) fees as at 1 July 2023. The fees are subject to change annually.

OA can be issued from one to five years, in multiples of one year periods. If you would like to obtain OA for more than one year the fee is simply multiplied by the number of years the OA is being applied for. If applying for more than one category of OA, only the highest OA fee is payable. For provisional OA fees, refer to OA Fees on Application (form F4539 which is located at tmr.qld.gov.au).

Where indicated, the number of vehicles refers to the maximum number of vehicles used at any one time to provide that service category.

Note: When paying by credit card a surcharge will apply. For more information please go to www.tmr.qld.gov.au/creditcard. Our fees and charges increase on 1 July each year. On 1 July 2023 our fees and charges were increased by 3.4% in line with Government's indexation policy.
