

Declaration of Eligibility for Q-Ride Training and Assessment

Transport Operations (Road Use Management) Act 1995

Use this form to declare that you are eligible to enrol in a Q-Ride training and assessment course for the issue of a Queensland (Qld) motorcycle licence. You will also need to show your current driver licence to the Q-Ride Registered Service Provider (RSP) before you commence training. If you hold a foreign driver licence that is not in English you must show a recognised translation.

Your Q-Ride RSP may require you to provide a Q-Ride Course Eligibility Certificate or a driver licence history to confirm that you meet the eligibility requirements before accepting your enrolment. To obtain your driver licence history, you will need to complete a *Release of Information Application* (form F2121) and lodge it at a Department of Transport and Main Roads (TMR) customer service centre and pay the applicable fee.
