

Low Volume Vehicle Identification Number (VIN) Application for a Trailer with an ATM of 4.5t or less

Transport Operations (Road Use Management) Act 1995

To be eligible for the issue of a Low Volume VIN (LVV) you must complete this form and provide evidence of your identity (EOI). Refer to the separate Evidence of Identity Information Sheet (F4362) or visit www.qld.gov.au for requirements.

The Department of Transport and Main Roads will issue a maximum of three LVVs in a calendar year. Manufacturers of trailers requiring more than three LVVs in a calendar year must apply direct to NEVDIS via email at nevdis@nevdis.com.au to create their own LVV series.

If you are not the manufacturer of the trailer and the trailer has no existing identifiers, you will need to provide proof of purchase and a statement that you have inspected the trailer and cannot locate a trailer plate or identifier stamped on the trailer.

To register this trailer with this identifier the trailer must be stamped with the LVV and a trailer plate attached (refer VSB1 Building Small trailers for requirements). You must present this trailer for inspection at a departmental location that conducts pre-registration inspections. Refer to the 'contact us in person' pages on www.qld.gov.au for a list of locations.
