This form is to be used by an organisation to:
• apply for the grant or replacement of an Australian Disability Parking Permit (ADPP)
• nominate or remove vehicle/s used by the organisation for the purpose of transporting eligible individual/s.

This application will be considered if:
• the organisation has a Queensland address
• this form has been completed and signed by the organisation’s contact person
• accompanied with the non-refundable fee (if applicable).

Once completed, please lodge online at www.tmr.qld.gov.au, in person at a Department of Transport and Main Roads Customer Service Centre, or mail to: Department of Transport and Main Roads, Disability Parking Permit Scheme, PO Box 523, Fortitude Valley Qld 4006

ADPPs can not be used on:
• vehicles over 4.5t Gross Vehicle Mass
• vehicles that are used as a taxi or limousine.
• booked hire services such as Uber, Ola and Didi.

1. Type of application

To be eligible for a permit the organisation must transport at least one individual who is a Queensland resident and meet the following criteria:
• an inability to walk resulting in the need to always use a wheelchair; or
• a severe restriction in the ability to walk because of a permanent medical condition or disability; or
• a severe restriction in the ability to walk because of a temporary medical condition or disability. A temporary medical condition or disability must be expected to last for at least 6 months duration and be certified by a doctor or occupational therapist or
• a visual defect or a combination of visual defects that result in the person being permanently legally blind; or
• a visual defect or a combination of visual defects that result in the person being temporarily legally blind. Temporary legally blind must be expected to last for at least 6 months duration and be certified by a doctor, optometrist or ophthalmologist.

In Queensland, eligibility for a Disability Parking Permit is based on either the person’s functional impairment to their ability to walk or on a visual defect that results in the person being diagnosed as legally blind. It is not based on intellectual, psychiatric, cognitive or sensory impairment (other than visual defect that results in legal blindness) unless in addition to this impairment, the person also has a severe impairment to their functional ability to walk.
