

Permission for work to take place alongside

Location: Mackay

Ship's name and IMO

Type of work

to take place on:

at:

Scope of repairs (if appropriate)

Once this form is complete upload to Qships.

Note: For Hot Works please upload the *Hot Work Permit* from NQBP into Qships instead.

I confirm permission has been granted by the Port Authority. These forms must be accompanied by an activity request in Qships. Once all information is uploaded to Qships, the agent is to contact VTS by phone or email.
